Who are we?

Community Connections is a community organisation working with young people who are at risk of early home or school leaving.

We can help you to...

- Improve relationships with family, friends and significant others.
- Identify your goals and help you to work toward them.
- Identify and solve problems by accessing information and support to make the decision that is right for you.

Confidential Support

Community Connections offers a wide range of **free** services and referrals to meet the individual needs of young people and or their families, in the following ways:

- Information
- Advocacy
- Counselling
- Referral
- Practical skills
- Group work
- Mental Health

We are committed to working with people from diverse communities, including LGBTIQ+, Aboriginal and Torres Strait Islander and other cultural communities. We can access interpreters if required.
